14 Following upon the appointment of Leah Wigren, Esq., as petitioner's counsel,

15 IT IS ORDERED that petitioner shall have until **June 24, 2011**, within which to file an
16 amended petition. The Court then will screen the amended petition prior to ordering further
17 action in the case.

18 IT FURTHER IS ORDERED that the Clerk of Court shall make available electronic
19 copies of requested prior filings in this matter – including papers filed under seal – either by
20 generating new notices of electronic filing or in any other manner that is mutually most
21 convenient for the Clerk and counsel.

22 The Court anticipates that new counsel will obtain files from and confer with prior
23 counsel. However, in the event of any delays in connection with same, new counsel should
24 proceed forward independently to consider the matter and obtain necessary file materials.
